Section 3. The Bonds shall be issued in fully registered form in the denomination of \$5,000.00 or any integral multiple thereof. The date of original issue for the Bonds shall be date of original delivery. Interest on the Bonds, at the respective rates for each maturity, shall be payable semi-annually on such dates as shall be determined in a Designation (each an “Interest Payment Date”), and the Bonds shall bear such

interest from the date of original issue or the most recent Interest Payment Date, whichever is later. The interest due on each Interest Payment Date shall be payable to the registered owners of record as of the close of business on the fifteenth day, whether or not a business day, immediately preceding the Interest Payment Date (the "Record Date"), subject to the provisions of Section 4 hereof. The Bonds shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchaser thereof. Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Paying Agent and Registrar, designated in Section 4 hereof, by mailing a check or draft in the amount due for such interest on each Interest Payment Date to the registered owner of each Bond, as of the Record Date for such Interest Payment Date, to such owner's registered address as shown on the books of registration as required to be maintained in Section 4 hereof. Payments of principal due at maturity or at any date fixed for redemption prior to maturity, together with unpaid accrued interest thereon, shall be made by the Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to the Paying Agent and Registrar. The City and the Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary, whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond in accordance with the terms of this Ordinance shall be valid and effectual and shall be a discharge of the City and the Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 4. The Authorized Officers, or one or more of them, shall designate the City Treasurer or a bank or trust company to serve as Paying Agent and Registrar for the Bonds in the Designation. In the case of a negotiated sale, if a bank or trust company is designated, such bank or trust company shall serve as Paying Agent and Registrar in such capacities under the terms of an agreement entitled "Paying Agent and Registrar's Agreement" between the City and said Paying Agent and Registrar, the form of which is hereby approved. The Mayor and City Clerk are hereby authorized to execute said agreement on behalf of the City in the form as an Authorized Officer shall deem appropriate on behalf of the City. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at its office. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. In the case of a private placement with a bank, the Bonds may be transferred, but only upon the bond register and only if (1) the purchaser has submitted to the Paying Agent and Registrar the Bonds accompanied by an assignment in substantially the form attached to the Bond duly executed by the Purchaser or the Purchaser's attorney or legal representative, which assignment shall disclose the name, address and tax identification number of the assignee, and (2) the assignee is a bank or a qualified institutional buyer as defined in Rule 144A promulgated by the Securities and Exchange Commission and the owner has obtained from such proposed transferee and provided to the City, prior to such transfer and assignment, an investor letter or certificate in form satisfactory to the City. In the case of a negotiated sale, any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar by surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to the Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar, on behalf of the City, will deliver at its office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of the transferee owner or owners, a new Bond or Bonds of the same series, interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same series, interest rate and maturity, and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same series, interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond shall be canceled and destroyed. All Bonds issued upon transfer of the bonds so surrendered shall be valid obligations of the City evidencing

the same obligation as the Bonds surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and the Paying Agent and Registrar shall not be required to transfer any Bond during any period from any Record Date until its immediately following Interest Payment Date or to transfer any Bond called for redemption for a period of 30 days next preceding the date fixed for redemption.

Section 5. In the event that payments of interest due on the Bonds on an Interest Payment Date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such Interest Payment Date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 6. In addition to any mandatory sinking fund redemptions, the Bonds shall be subject to redemption at the option of the City, in whole or in part, prior to maturity at any time on or after five years after the date of original issue, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption (or such other date or dates as may be determined in a Designation). The City may select the Bonds to be redeemed for optional redemption in its sole discretion. Bonds for mandatory redemption shall be selected by the Paying Agent and Registrar using any random method of selection determined appropriate by the Paying Agent and Registrar. Bonds redeemed pursuant to the requirements for mandatory redemption shall be redeemed at par plus accrued interest on the principal amount redeemed. The Bonds shall be redeemed only in amounts of \$5,000.00 or integral multiples thereof. Bonds redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given, at the direction of the City in the case of optional redemption and without further direction in the case of mandatory redemption, by the Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by maturity or otherwise, the date of original issue, series and the date fixed for redemption and shall state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the City designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the City shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 7. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the municipality where the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 8. The Bonds shall be in substantially the following form:

Section 9. Each of the Bonds shall be executed on behalf of the City with the manual or facsimile signatures of the Mayor and Clerk of the City. If the Bonds are sold through a private placement with a bank, the following requirements relating to the Depository (defined herein) shall not apply. If the Bonds are sold through a negotiated sale with the Underwriter, the Bonds shall be issued initially as “book-entry-only” bonds using the services of The Depository Trust Company (the “Depository”), with one typewritten bond per maturity being issued to the Depository. In such connection said officers are authorized to execute and deliver a letter of representations (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds,

(ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the Bond Participants and/or Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee;

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section.

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication. Upon execution, registration and authentication of the Bonds, they shall be delivered to the City Treasurer, who is authorized to deliver them to the purchaser bank in the case of a private bank placement, or to the Underwriter, as initial purchaser, in the case of a negotiated sale, upon receipt of (a) the purchase price of the Bonds as shall be determined in the Designation plus accrued interest thereon to date of payment of the Bonds and (b) in the case of a private placement, delivery to the City of an investor letter or certificate in form satisfactory to an Authorized Officer. In the case of a negotiated sale, said initial purchaser shall have the right to direct the registration of the Bonds and the denominations thereof within each maturity, subject to the restrictions of this resolution. The Underwriter and its agents, representatives and counsel (including the City's bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository at closing. The Authorized Officers of the City (or any one of them) are hereby authorized to execute a bond purchase agreement, in a form satisfactory to such Authorized Officer, for the sale of the Bonds to the Underwriter, in the event of a negotiated sale. The officers of the City (including but not limited to the Authorized Officers), or any one or more of them are hereby further authorized to take any and all actions and enter into any and all agreements deemed necessary or appropriate in connection with the issuance and sale of the Bonds and the redemption and payment of the Refunded Bonds, and any such actions previously taken are hereby ratified and confirmed.

Section 10. The Clerk is directed to make and certify a transcript or transcripts of the proceedings of the Mayor and Council precedent to the issuance of the Bonds, a copy of which shall be delivered to the Underwriter, as initial purchaser of the Bonds (if sold through a negotiated sale) or the bank (if sold through a private placement).

Section 11. The proceeds of the Bonds shall be applied to the redemption of the Refunded Bonds as described in Sections 1 and 2 hereof, including payment of any issuance expenses for the Bonds.

Section 12. The City agrees that it will cause to be levied and collected annually a tax by valuation on all the taxable property in the City, except intangible property, in addition to all other taxes, which together with any applicable special assessments and other funds of the City available therefor, shall be sufficient in rate and amount to fully pay the principal of and interest on the Bonds as the same become due.

Section 13. In the case of a negotiated sale with the Underwriter, the Authorized Officers or any one or more of them is authorized to approve, deem final and deliver a Preliminary Offering Circular and a final Offering Circular for and on behalf of the City, all in accordance with the requirements of Reg. Sec. 240.15c2-12 of the Securities and Exchange Commission.

Section 14. The City hereby covenants and agrees that it will make no use of the proceeds of the Bonds which would cause the Bonds to be arbitrage bonds within the meaning of Sections 103(b)(2) and 148 of the Internal Revenue Code of 1986, as amended (the "Code") and further covenants to comply with said Sections 103(b)(2) and 148 and all applicable regulations thereunder throughout the term of said issue, including all requirements with respect to payment and reporting of rebates, if applicable. The City hereby covenants to take all action necessary to preserve the tax-exempt status of the interest on the Bonds for federal income tax purposes under the Code with respect to taxpayers generally. The City further agrees that it will not take any actions which would cause the Bonds to constitute "private activity bonds" within the meaning of Section 141 of the Code. The City hereby designates the Bonds as its "qualified tax-exempt obligations" pursuant to Section 265(b)(3)(B)(i)(III) of the Code and covenants and warrants that it does not reasonably expect to issue bonds or other obligations aggregating in principal amount more than \$10,000,000.00 during the calendar year or years in which the Bonds are issued (taking into consideration the exception for current refunding issues). The Mayor is hereby authorized to make, or cause to be made, any and all certifications deemed necessary in connection with the designation of the Bonds as "qualified tax-exempt obligations", including "deemed designating" the Bonds.

Section 15. The City's obligations under this Ordinance with respect to any or all of the Bonds herein authorized shall be fully discharged and satisfied as to any or all of such Bonds and any such Bond shall no longer be deemed to be outstanding hereunder if such Bond has been purchased by the City and canceled or when the payment of principal of and interest thereon to the respective date of maturity or redemption (a) shall have been made or caused to be made in accordance with the terms thereof, (b) shall have been provided for by depositing with a national or state bank having trust powers, or trust company, in trust, solely for such payment (i) sufficient money to make such payment and/or (ii) direct general obligations (including obligations issued or held in book entry form on the books of the Department of Treasury of the United States of America) of or obligations the principal and interest of which are unconditionally guaranteed by the United States of America (herein referred to as "U.S. Government Obligations") in such amount and bearing interest payable and maturing or redeemable at stated fixed prices at the option of the holder as to principal, at such time or times, as will ensure the availability of sufficient money to make such payments; provided, however, that with respect to any Bond to be paid prior to maturity, the City shall have duly called such Bond for redemption and given notice of such redemption as provided by law or made irrevocable provision for the giving of such notice. Any money so deposited with such bank or trust company in excess
