The next step in this process is to approve the following Resolution forwarding the Redevelopment Plan to the City Council for public hearing and approval. That will take place on January 20, 2026. The matter will come back before the CRA again at their January 26<sup>th</sup> meeting.

#### CRA RESOLUTION NO. 2025-11

A RESOLUTION RECOMMENDING APPROVAL OF A REDEVELOPMENT PLAN OF THE CITY OF WAYNE, NEBRASKA; APPROVAL OF A REDEVELOPMENT PROJECT OF THE CITY OF WAYNE, NEBRASKA; AND APPROVAL OF RELATED ACTIONS – BRIGHT FOX PROPERTIES REDEVELOPMENT PROJECT.

Chair Powicki stated the motion, and the result of roll call being all Yeas, with the exception of Member Brodersen who was absent, the Chair declared the motion carried.

Member Brodersen arrived at 4:10 p.m.

Updates were given on the following properties owned by the CRA:

➤ 2<sup>nd</sup> and Logan/Nebraska Streets

Lucas Thompson was present and made an offer of \$60,000 for the two lots on Logan Street. He plans on building duplexes, and is requesting 7 water hook-ups and electrical utilities to be provided. This offer is contingent upon receiving tax increment financing and workforce housing funds. With current estimates, the amount of tax increment financing to be requested would be about \$250,000. Construction could begin in the summer of 2026. Mr. Thompson expects to have

things completed by 2033 without adjacent land acquisition. Mr. Thompson would use TIF funds for sewer and any concrete ways.

Administrator Blecke stated there are a lot of contingencies with this offer. The City would have to step up and put the water in. The City has always put electrical in. Administrator Blecke also explained vertical TIF/workforce housing.

City Attorney Miller stated if the CRA is going to go forward with either accepting this offer or making a counteroffer, she would suggest having this matter put on the next Council agenda to discuss the water request, etc., before she begins to prepare any documentation.

Administrator Blecke stated he would confer with Casey Junck, Water/Wastewater Superintendent, to work out details on the water.

Member Lenihan made a motion, which was seconded by Member Ptacek, to enter into executive/closed session to protect the financial interest of the CRA to discuss the offer of Lucas and Heidi Thompson to purchase the 2<sup>nd</sup> and Logan/Nebraska Street properties, and to allow Attorney Miller, Administrator Blecke, City Clerk McGuire, Finance Director Beth Porter, and Economic Development Director Luke Virgil to be in attendance.

Chair Powicki stated the motion, and the result of roll call being all Yeas, the Chair declared the motion carried, and executive/closed session began at 4:21 p.m.

The matter again to be discussed in executive/closed session pertains to the offer made on the 2<sup>nd</sup> and Logan/Nebraska Street properties by Lucas and Heidi Thompson.

Member Houser made a motion, which was seconded by Member Sievers, to resume open session. Chair Powicki stated the motion, and the result of roll call being all Yeas, the Chair declared the motion carried, and open session resumed at 4:42 p.m.

After discussion, Chair Powicki made a motion, which was seconded by Member Sievers, approving the offer of Lucas and Heidi Thompson contingent upon the commencement/approval of the TIF process. Chair Powicki stated the motion, and the result of roll call being all yeas, the Chair declared the motion carried.

Chair Powicki advised Mr. Thompson that Administrator Blecke would be in contact with him to discuss the different TIF processes.

Discussion continued on the following properties:

- 106 E 7<sup>th</sup> Street
- 13<sup>th</sup> and Main Street (old armory site)

- 419 Main Street (Heikes Automotive)
- 306 Pearl Street (old City Hall) – this will come before Council in January regarding an agreement to rent part of the property.

Notwithstanding any other provision of this Redevelopment Contract, no additional notice or right to cure shall be required prior to the Authority enforcing the provisions of this Section 4.09.

In addition to other remedies provided herein, the amount to be refunded to the Authority is deemed an advance of money pursuant to Section 18-2147 (1)(b) of the Act and shall be deemed a payment to the Authority required under Section 4.06 of this Redevelopment Contract.

Section 4.10 Cancellation of Unpaid Balance of Indebtedness.

Upon payment of all funds lawfully received in the Note Fund on the Indebtedness, any remaining unpaid balance of principal or interest on the Indebtedness shall be irrevocably cancelled and forgiven by the holder of the Indebtedness without further action by such holder or the Authority.

**ARTICLE V  
FINANCING REDEVELOPMENT PROJECT; ENCUMBRANCES**

Section 5.01 Financing

Redeveloper shall pay all costs related to the redevelopment of the Redevelopment Project Area and the Redevelopment Project Property which are in excess of the amounts paid from the proceeds of the grant provided from the proceeds of the Indebtedness and granted to Redeveloper. Redeveloper shall timely pay all costs, expenses, fees, charges and other amounts associated with the Project.

**ARTICLE VI  
DEFAULT, REMEDIES; INDEMNIFICATION**

Section 6.01 General Remedies of Authority and Redeveloper.

Subject to the further provisions of this Article VI, in the event of any failure to perform or breach of this Redevelopment Contract or any of its terms or conditions, by any party hereto or any successor to such party, such party, or successor, shall, upon written notice from the other, proceed immediately to commence such actions as may be reasonably designed to cure or remedy such failure to perform or breach which cure or remedy shall be accomplished within a reasonable time by the diligent pursuit of corrective action. In case such action is not taken, or diligently pursued, or the failure to perform or breach shall not be cured or remedied within a reasonable time, this Redevelopment Contract shall be in default and the aggrieved party may institute such proceedings as may be necessary or desirable to enforce its rights under this Redevelopment Contract, including, but not limited to, proceedings to compel specific performance by the party failing to perform or in breach of its obligations. The Redeveloper hereby acknowledges and agrees that the Authority shall have completed its required performances and satisfied all of its obligations under this Redevelopment Contract upon the issuance of the Indebtedness and the subsequent payment of grant amounts to the Redeveloper as set forth in Article III hereof and by complying with the obligations of all Redevelopment Contract Amendments.

Section 6.02 Additional Remedies of Authority

In the event that (each such event an "event of default"):

(a) the Redeveloper, or its successor in interest, shall fail to commence the construction of the improvements included in the Project Costs on or before June 1, 2026, or shall abandon construction work related to the Project Costs, once commenced, for any period of 180 days, excepting delays caused by inclement weather,

(b) the Redeveloper, shall fail to pay real estate taxes or assessments on the Redevelopment Project Property owned by the Redeveloper or any part thereof when due; and

(c) there is a violation of any other provision of this Redevelopment Contract, and such failure or action by the Redeveloper has not been cured within 90 days following written notice from Authority, then the Redeveloper shall be in default of this Redevelopment Contract.

In the event of such failure to perform, breach or default occurs and is not cured in the period herein provided, the parties agree that the damages caused to the Authority would be difficult to determine with certainty and that a reasonable estimation of the amount of damages that could be incurred is the amount of the grant to Redeveloper pursuant to Section 3.04 of this Redevelopment Contract, less any reductions in the principal amount of the Indebtedness, plus interest on such amounts as provided herein (the "**Liquidated Damages Amount**"). Upon the occurrence of an event of default, the Liquidated Damages Amount shall be paid by Redeveloper to Authority within 30 days of demand from Authority given to the Redeveloper.

Interest shall accrue on the Liquidated Damages Amount at the rate of three percent (3%) per annum and interest shall commence from the date that the Authority gives notice to the Redeveloper demanding payment.

Payment of the Liquidated Damages Amount shall not relieve Redeveloper of its obligation to pay real estate taxes or assessments with respect to the Redevelopment Project Property and the Project.

Redeveloper, on or before contracting for work included within the Project Costs, shall furnish to the Authority copies of labor and materials payment bonds and performance bonds for each contract entered into by Redeveloper related to Project Costs. Each such bond shall show the Authority and the City as well as the Redeveloper as beneficiary of any such bond, as and to the extent commercially obtainable (as determined in the discretion of the Authority). In addition, the Redeveloper shall provide a penal bond with good and sufficient surety to be approved by the Authority, conditioned that the Redeveloper shall at all times promptly make payments of all amounts lawfully due to all persons supplying or furnishing to any contractor or his or her subcontractors (for each contract entered into by Redeveloper related to Project Costs) with labor or materials performed or used in the prosecution of the work provided for in such contract, and will indemnify and save harmless the Authority to the extent of any payments in connection with the carrying out of such contracts which the Authority may be required to make under the law.

Section 6.03 Remedies in the Event of Other Redeveloper Defaults.

In the event the Redeveloper fails to perform any other provisions of this Redevelopment Contract (other than those specific provisions contained in Section 6.02), the Redeveloper shall be in default. In such an instance, the Authority may seek to enforce the terms of this Redevelopment Contract or exercise any other remedies that may be provided in this Redevelopment Contract or by applicable law;

provided, however, that any defaults covered by this Section shall not give rise to a right or rescission on termination of this Redevelopment Contract, and shall not be covered by the Liquidated Damages Amount.

Section 6.04 Forced Delay Beyond Party's Control.

For the purposes of any of the provisions of this Redevelopment Contract, neither the Authority nor the Redeveloper, as the case may be, nor any successor in interest, shall be considered in breach of or default in its obligations with respect to the conveyance or preparation of the Redevelopment Area or any part thereof for redevelopment, or the beginning and completion of construction of the Project, or progress in respect thereto, in the event of forced delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God, or of the public enemy, acts of the Government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather or delays in subcontractors due to such causes; it being the purpose and intent of this provision that in the event of the occurrence of any such forced delay, the time or times for performance of the obligations of the Authority or of the Redeveloper with respect to construction of the Project, as the case may be, shall be extended for the period of the forced delay: Provided, that the party seeking the benefit of the provisions of this section shall, within thirty (30) days after the beginning of any such forced delay, have first notified the other party thereto in writing, and of the cause or causes thereof and requested an extension for the period of the forced delay.

Section 6.05 Limitations of Liability; Indemnification.

Notwithstanding anything in this Article VI or this Redevelopment Contract to the contrary, neither the City, the Authority, nor their respective elected officials, officers, directors, appointed officials, employees, attorneys, agents or their governing bodies shall have any pecuniary obligation or monetary liability under this Redevelopment Contract. The sole obligation of the Authority under this Redevelopment Contract shall be the issuance of the Indebtedness and granting of a portion of the proceeds thereof to Redeveloper, and full compliance with the terms specifically set forth Article III hereof and payment of TIF Revenues pledged pursuant to the Resolution. The Redeveloper releases the City and Authority from, agrees that neither the City nor Authority shall be liable for, and agrees to indemnify and hold the City and Authority harmless from any liability for any loss or damage to property or any injury to or death of any person that may be occasioned by any cause whatsoever pertaining to the Project.

The Redeveloper will indemnify and hold each of the City and Authority and their respective elected officials, directors, attorneys, officers, appointed officials, attorneys, agents, employees and members of their governing bodies free and harmless from any loss, claim, damage, demand, tax, penalty, liability, disbursement, expense, excluding litigation expenses, attorneys' fees and expenses, or court costs arising out of any damage or injury, actual or claimed, of whatsoever kind or character, to property (including loss of use thereof) or persons, occurring or allegedly occurring in, on or about that portion of the Project owned by the Redeveloper, during the term of this Redevelopment Contract or arising out of any action or inaction of Redeveloper, related to activities of the Redeveloper or its agents during the construction of the public infrastructure or public right of ways in the Project.

**CITY OF WAYNE  
REDEVELOPMENT PLAN FOR THE BRIGHT FOX PROPERTIES  
REDEVELOPMENT PROJECT**

I. INTRODUCTION.

The City of Wayne, Nebraska, recognizes that blight is a threat to the continued stability and vitality of the City as a focal point of business, financial, social, cultural and civic activity of the region, and a focus of community pride and achievement. Therefore, the City has initiated a program of revitalization with the goal of eliminating blighting influences in the City of Wayne. This redevelopment plan provides for the rehabilitation of the building at 401 Main Street, demolition of a single family residence at 104 East 4<sup>th</sup> street and updating the single family residence at 108 East 4<sup>th</sup> Street in Wayne.

The Assessors records show the buildings being constructed prior to 1920. Bright Fox Properties, LLC, (the "Redeveloper") has the property under contract. The planned renovation of the commercial building will result in 2000 square feet of modern office space with two upscale 1000 square foot executive apartments. Tax increment financing is critical to making this project a reality.

The Redeveloper seeks a public private partnership to redevelop real estate in the City that the City Council has declared substandard and blighted pursuant to the Nebraska Community Development Law (the "Act").

The Act provides that tax increment financing may be utilized for voluntary or compulsory renovation of existing structures. TIF eligible expenses are all those costs associated with the renovation, as well as site purchase and architectural and engineering costs.

The legal description of the Redevelopment Area is shown on Exhibit "A". The Redevelopment Area was declared blighted and substandard by the Wayne City Council pursuant to the Act. The Redevelopment Area has been determined, through the blight and substandard resolution, to be in need of revitalization and strengthening to ensure that it will contribute to the economic and social wellbeing of the City.

To encourage private investment in the Redevelopment Area, this Plan has been prepared to set forth the **CITY OF WAYNE REDEVELOPMENT PLAN FOR THE BRIGHTFOX PROPERTIES REDEVELOPMENT PROJECT** ("Redevelopment Project"), which is considered to be of the highest priority in accomplishing the goal of revitalizing and strengthening the Redevelopment Area.

## II. EXISTING SITUATION.

This section of the Redevelopment Plan examines the existing conditions within the designated Redevelopment Area. This section is divided into the following subsections: existing land use, existing zoning, existing public improvements, and existing building condition/blighting influences.

A. Existing Land Use. The Redevelopment Area contains a commercial building with apartments and two single family homes. This use is shown on Exhibit "B".

B. Existing Zoning. The Community Redevelopment Area is zoned B-3, Central Business District. Apartments are allowed in this district.

C. Existing Public Improvements. The Redevelopment Area abuts paved streets, potable water and sanitary sewer mains.

D. Existing Building Conditions. The Redevelopment Area was declared blighted and substandard as part of a larger area pursuant to the Act. Public records show that all buildings in the Redevelopment Area are more than 100 years old.

## III. FUTURE SITUATION.

This section of the Redevelopment Plan examines the future conditions within the Community Redevelopment Area. This section is divided into the following subsections:

- A. Proposed Land Use Plan
- B. Conformance with the Comprehensive Plan; Conformance with the Community Development Law Declarations
- C. Relationship to Local Objectives
- D. Building Requirements and Standards after Redevelopment
- E. Proposed Changes and Actions
- F. Cost-Benefit Analysis
- G. Proposed Cost and Financing
- H. Procedure for Changes in the Approved Redevelopment Plan

A. Proposed Land Use Plan. The land use plan for the Redevelopment Area as it relates to Redevelopment Area will not change. Prior to January 1, 2026, the single-family home at 104 East 4<sup>th</sup> Street will be demolished. The building at 401 Main Street and the home 108 East 4<sup>th</sup> Street will be rehabilitated. After the substantial remodel, the commercial building will have 2 upscale apartments and a modern commercial space. The remaining single-family home will be updated and remain a rental.

The Redevelopment Authority intends to negotiate a specific redevelopment agreement with the Redeveloper, outlining the proposed Redevelopment Project. The written redevelopment agreement will include a Redevelopment Project description, specific funding

arrangements, and specific covenants and responsibilities of the Community Redevelopment Authority and the Redeveloper to implement the Redevelopment Project.

B. Conformance with the Comprehensive Plan; Conformance with the Community Development Law Declarations. In accordance with the Act, the Plan described in this document has been designed to conform to the 2017 Comprehensive Development Plan for the City of Wayne ("Comp Plan"). By approval of this Redevelopment Plan, the City Council finds that this Plan is feasible and in conformity with the general plan for the development of the City as a whole and the plan is in conformity with the legislative declarations and determinations set forth in the Community Development Law. This finding is documented by a determination that the Act provides for rehabilitation of structures in a blighted area; that the redevelopment area currently has an assessed value of 398,785. After demolition of one home the estimated assessed value for 2026 will be \$317,655. The project will result in an additional investment of \$340,000 over the purchase price.

C. Relationship to Local Objectives. The proposed Redevelopment Area lies within the boundary described on attached Exhibit "A". This Plan has been developed on the basis of the goals, policies and actions adopted by the City for the community as a whole. General goals, policies and actions relating to the community as a whole and for the Redevelopment Area will be set forth in the Comp Plan and zoning regulations as so amended.

D. Building Requirements and Redevelopment Standards. The redevelopment of the Redevelopment Area should generally achieve the following requirements and standards:

1. Population Density. There are two single family homes and two apartments in the Redevelopment Area. The population may slightly decrease consistent with the reduction in residential units.

2. Land Coverage and Building Density. This Plan will reduce land coverage and building intensity by 1,248 square feet.

3. General Environment. Provide for the redevelopment and rehabilitation of the remaining structures with onsite parking.

4. Building Heights and Massing. Building heights of existing structures will not be altered. Building massing will be altered with the demolition and removal of a single-family home.

5. Circulation, Access and Parking. Provide for vehicular access for the Redevelopment Area in a manner consistent with the needs of the development and the community.

Provide for an adequate supply of appropriately located parking in accordance with applicable zoning district regulations

E. Proposed Changes and Actions. The Redevelopment Area will undergo modernization and updating. This section describes the proposed changes needed, if any, to the zoning ordinances or maps, street layouts, street levels or grades, building codes and ordinances, and actions to be taken to implement this Plan.

1. Zoning, Building Codes and Ordinances. The property currently contains apartments and is zoned to B-3 to allow continuation of the use as apartments. No additional changes to the City's Zoning Ordinances, Building Codes, or other local ordinances are contemplated to implement this Redevelopment Plan.

2. Traffic Flow, Street Layout and Street Grades. No changes will be required for traffic control or street layout.

3. Public Redevelopments, Improvements, Facilities, Utilities and Rehabilitations. No additional public facilities will be required to support the redevelopment project.

4. Site Preparation and Demolition. Significant on-site demolition will be required for structure removal and interior demolition for the remaining structures.

5. Private Redevelopment, Improvements, Facilities and Rehabilitation. The private improvements anticipated within the Redevelopment Area include the building rehabilitation for apartments and the office space.

6. Open Spaces, Pedestrian ways, Landscaping, Lighting, Parking. The proposed site plan and private sector improvements will comply with the City's minimum open space, pedestrian way, lighting, and parking standards as defined in the Zoning and Subdivision Ordinances, Building Codes, or other local ordinances. In addition, the City may elect to require additional standards in these areas as described in a written redevelopment agreement in order to help remove blight and substandard conditions.

F. Cost-Benefit Analysis. A Redevelopment Project TIF Statutory Cost Benefit Analysis ("Cost-Benefit Analysis") is required to be prepared by the Redevelopment Authority prior to submission of this Plan to the City Council. The Cost-Benefit Analysis must comply with the requirements of the Act in analyzing the costs and benefits of the Redevelopment Project, including costs and benefits to the economy of the community and the demand for public and private services. The Cost-Benefit Analysis is set forth on Exhibit "C".

G. Proposed Costs and Financing; Statements. The Authority will negotiate with the Redeveloper of the Redevelopment Area on a specific written redevelopment agreement. The written redevelopment agreement would include a site plan, project description, and specific Tax Increment Financing arrangements.

The sources and uses of funds for the project are shown below:

	TIF	Equity	Loan	Other	Total
Site purchase	\$ 30,000.00	\$ 50,000.00	\$ 117,000.00	\$ 43,000.00	\$ 240,000.00
Demolition			\$	\$ 50,000.00	\$ 50,000.00
Planning			\$	\$ 10,000.00	\$ 10,000.00
Construction			\$	\$ 250,000.00	\$ 250,000.00
Contingencies				\$ 30,000.00	\$ 30,000.00
<b>TOTALS</b>	<b>\$ 30,000.00</b>	<b>\$ 50,000.00</b>	<b>\$ 117,000.00</b>	<b>\$ 383,000.00</b>	<b>\$ 580,000.00</b>

The Redeveloper seeks the issuance of a tax increment revenue bond in the amount of \$30,000, the proceeds of which will be granted to the Redeveloper to reimburse a portion of the costs of site acquisition.

The public will fund as much of the above Eligible Improvements as needed to the extent necessary to meet the public purpose and community goals, policies and standards. The City will not fund improvements that exceed the amount of funds available from tax-increment financing indebtedness. The amount of the available proceeds for tax-increment financing from is estimated at approximately \$30,000. This assumes an increased valuation as a result of the project of approximately \$225,000 over time and or an increase in levy rates.

Any ad valorem tax levied upon the real property in a Redevelopment Project for the benefit of any public body shall be divided, for a period not to exceed fifteen (15) years after the effective date established in the redevelopment agreement. Said taxes shall be divided as follows:

a. That portion of the ad valorem tax which is produced by the levy at the rate fixed each year by or for each such public body upon the Redevelopment Project valuation shall be paid into the funds of each such public body in the same proportion as are all other taxes collected by or for the body; and

b. That portion of the ad valorem tax on real property in the Redevelopment Project in excess of such amount, if any, shall be allocated to and, when collected, paid into a special fund of the authority to be used solely to pay the principal of, the interest on, and any premiums due in connection with the bonds of, loans, notes, or advances of money to, or indebtedness incurred by, whether funded, refunded, assumed, or otherwise, such authority for financing or refinancing, in whole or in part, a Redevelopment Project. When such bonds, loans, notes, advances of money, or indebtedness, including interest and premiums due, have been paid, the authority shall so notify the county assessor and county treasurer and all ad valorem taxes upon taxable real property in such a Redevelopment Project shall be paid into the funds of the respective public bodies.

The Redevelopment Project is within the corporate boundaries of the City.

Because the Plan proposes to use tax-increment financing funds as authorized in § 18-2147 of the Act, the Authority and City Council, in approving this Plan find as follows:

a. the Redevelopment Project in the Plan would not be economically feasible without the use of tax-increment financing; [documentation of this finding is provided by a lender's letter showing that the project would not be financed without the provision of TIF funding.

b. the Redevelopment Project would not occur in the Redevelopment Area without the use of tax-increment financing; and

c. the costs and benefits of the Redevelopment Project, including costs and benefits to other affected political subdivisions, the economy of the community, and the demand for public and private services have been analyzed by the governing body and been found to be in the long term best interest of the community impacted by the Redevelopment Project.

H. Procedure for Changes in the Approved Redevelopment Plan. If the City of Wayne desires to significantly modify this Plan, it may do so after holding a public hearing on the proposed change in accordance with applicable state and local laws. A redevelopment plan which has not been approved by the governing body when recommended by the authority may again be recommended to it with any modifications deemed advisable. A redevelopment plan may be modified at any time by the authority, provided, that if modified after the lease or sale of real property in the Redevelopment Area, the modification must be consented to by the redeveloper or redevelopers of such property or his successor, or their successors, in interest affected by the proposed modification. Where the proposed modification will substantially change the redevelopment plan as previously approved by the governing body the modification must similarly be approved by the governing body.

I. Relocation Expenditures. In the event that The Community Redevelopment Authority is required to relocate current tenants of the existing structures, the Authority will adopt rules and regulations pursuant to the Act. This Plan will not be implemented unless the Authority is reimbursed, by the redeveloper, in advance, for all estimated and actual costs incurred by the Authority, including professional fees required as a result of such relocation undertaking.

Statutory Cost Benefit Analysis

STATUTORY COST BENEFIT ANALYSIS

As authorized in the Nebraska Community Development Law, §18-2147, *Neb. Rev. Stat.* (2022), the City of Wayne has analyzed the costs and benefits of the proposed Sanctuary Apartments Redevelopment Project, including:

**Project Sources and Uses.** Approximately \$54,250 [\$30,000 in principal and \$24,250 in interest] in potential property tax receipts from tax increment financing provided by the Community Redevelopment Authority of the City of Wayne (the "Authority") is required to complete the proposed redevelopment. Such a TIF grant by the Authority will leverage an estimated \$550,000 in other investment and financing; an investment of \$10.13 for every dollar of tax increment financing.

**Tax Shifts.** The property to be redeveloped is anticipated to have a January 1, 2026, valuation of 317,655. Based on the 2024 levy of .016%, this would result in a real property tax of approximately \$5,082. It is anticipated that the assessed value will increase by \$225,000. This will result in an increase in overall tax of approximately \$3,600 annually, based on the 2024 levy. The tax increment gained from this Redevelopment Project area would not be available for use by the taxing entities as general tax revenues, but would be used to pay the TIF bonds issued to pay for eligible improvements to enable this project to be realized.

Estimated 2026 assessed value:	\$ 317,655
Estimated value after completion	\$ 542,655
Increment value	\$ 225,000
TIF bond issue	\$ 30,000

**Public Infrastructure and Community Public Service Impacts.** The Project requires no public infrastructure installation or public service costs. Fire and police protection are considered adequate and no additional personnel or equipment is contemplated.

**Employment Within the Project Area.** New employment within the Project Area is expected to increase minimally after construction.

**Employment in the City Outside the Project Area.** No impact is contemplated.

**Other Impacts.** No other significant impacts are foreseen.

**Impacts on student populations.** A minor increase in student population may occur as a result of the redevelopment project.

**Upon payment of all of the Revenue pledged for payment on this Note, any remaining unpaid balance of principal or interest on this Note shall be irrevocably cancelled and forgiven by the holder of this Note without further action by such holder or the Authority.**

The principal hereon shall not be payable from the general funds of the City nor the Authority nor shall this Note constitute a legal or equitable pledge, charge, lien, security interest or encumbrance upon any of the property or upon any of the income, receipts, or money and securities of the City or the Authority or of any other party other than those specifically pledged under the Resolution. This Note is not a debt of the City or the Authority within the meaning of any constitutional, statutory or charter limitation upon the creation of general obligation indebtedness of the City or the Authority, and does not impose any general liability upon the City or the Authority and neither the City nor the Authority shall be liable for the payment hereof out of any funds of the City or the Authority other than the Tax Revenues and other funds pledged under the Resolution, which Tax Revenues and other funds have been and hereby are pledged to the punctual payment of the principal of and interest on this Note in accordance with the provisions of this Resolution.

The Registrar may from time to time enter the respective amounts advanced pursuant to the terms of the Resolution under the column headed "Principal Amount Advanced" on **Schedule 1** hereto (the "**Table**") and may enter the aggregate principal amount of this Note then outstanding under the column headed "Cumulative Outstanding Principal Amount" on the Table. On each date upon which a portion of the Cumulative Outstanding Principal Amount is paid to the Registered Owner pursuant to the redemption provisions of the Resolution, the Registered Owner may enter the principal amount paid on this Note under the column headed "Principal Amount Redeemed" on the Table and may enter the then outstanding principal amount of this Note under the column headed "Cumulative Outstanding Principal Amount" on the Table. Notwithstanding the foregoing, the records maintained by the Registrar as to the principal amount issued and principal amounts paid on this Note shall be the official records of the Cumulative Outstanding Principal Amount of this Note for all purposes.

Reference is hereby made to the Resolution, a copy of which is on file in the office of the City Clerk, and to all of the provisions of which each Owner of this Note by its acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for this Note; the Tax Revenue pledged to the payment of the principal on this Note; the nature and extent and manner of enforcement of the pledge; the conditions upon which the Resolution may be amended or supplemented with or without the consent of the Owner of this Note; the rights, duties and obligations of the Authority and the Registrar thereunder; the terms and provisions upon which the liens, pledges, charges, trusts and covenants made therein may be discharged at or prior to the maturity or redemption of this Note, and this Note thereafter no longer be secured by the Resolution or be deemed to be outstanding thereunder, if money or certain specified securities shall have been deposited with the Registrar sufficient and held in trust solely for the payment hereof; and for the other terms and provisions thereof.

This Note is subject to redemption prior to maturity, at the option of the Authority, in whole or in part at any time at a redemption price equal to 100% of the principal amount being redeemed, plus accrued interest on such principal amount to the date fixed for redemption. Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the

Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof. If this Note, or any portion thereof, shall have been duly called for redemption and notice of such redemption duly given as provided, then upon such redemption date the portion of this Note so redeemed shall become due and payable and if money for the payment of the portion of the Note so redeemed shall be held for the purpose of such payment by the Registrar.

This Note is transferable by the Registered Owner hereof in person or by its attorney or legal representative duly authorized in writing at the principal office of the Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution, and upon surrender and cancellation of this Note. Upon such transfer, a new Note of the same series and maturity and for the same principal amount will be issued to the transferee in exchange therefor. The Authority and the Registrar may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal of and interest due hereon and for all other purposes.

This note is being issued as a registered note without coupons. This note is subject to exchange as provided in the Resolution.

It is hereby certified, recited and declared that all acts, conditions and things required to have happened, to exist and to have been performed precedent to and in the issuance of this Note have happened, do exist and have been performed in regular and due time, form and manner; that this Note does not exceed any constitutional, statutory or charter limitation on indebtedness; and that provision has been made for the payment of the principal of and interest on this Note as provided in this Resolution.

Reference is hereby made to the Resolution for a description of the redemption procedures and the notice requirements pertaining thereto.

In the event this Note is called for prior redemption, notice of such redemption shall be given by first-class mail to the Registered Owner hereof at its address as shown on the registration books maintained by the Registrar not less than 10 days prior to the date fixed for redemption, unless waived by the Registered Owner hereof.
